

Match Mentor Modules

These modules are designed to help facilitate the conversation between mentor and mentee; the topics and questions covered should not be viewed as exhaustive, but rather as a launching point for productive conversations. We encourage each mentor-mentee pair to go at their own pace and spend more time on modules that are most relevant to them.

1. Are You Career Ready?
 - a. Before starting the modules, each mentee should review the list of skills vital to thriving in the workplace. After doing so, they should complete the table ranking their current competency in each skill. After completing the modules, each mentor-mentee pair should return to the chart and review their progress.
2. Value of an Arts & Sciences Degree
3. Is Graduate School Right For Me?
4. Developing an Elevator Pitch
